**TITANIUM HOLDINGS GROUP, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2010**

1. General

The accompanying financial statements, footnotes and discussions should be read in conjunction with the financial statements, related footnotes and discussions contained in the Company's Annual Report for the year ended December 31, 2009. The financial information contained herein is unaudited. In the opinion of management, all adjustments necessary for a fair presentation of such financial information have been included. All adjustments are of a normal recurring nature.

The results of operations for the nine months ended September 30, 2010, are not necessarily indicative of the results to be expected for the full year.

2. Principal Business Activity and Summary of Significant Accounting Policies

The accompanying consolidated financial statements include the accounts of Titanium Holdings Group, Inc. and its subsidiary (collectively the "Company"). All significant intercompany balances and transactions have been eliminated in consolidation.

The principal business activity of the Company is manufacturing and the wholesale distribution of sanitary maintenance supplies and paper products.

Property and equipment are recorded at cost. Depreciation is provided for by the straight-line method over the estimated useful lives of the property and equipment.

Inventories consisting of raw materials, work in process and finished goods are valued at the lower of cost or market. Cost is determined using the first-in, first-out method.

The preparation of financial statements in accordance with generally accepted accounting principles requires the use of estimates by management. Actual results could differ from these estimates.

Earnings (loss) per share ("EPS") is computed by dividing net income or loss by the weighted-average number of common shares outstanding for the period. Both basic and diluted net income (loss) per share are the same, because the effect of the Company's outstanding warrants and options is anti-dilutive.

FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2010**

3. Investments

The Company classifies its existing marketable equity securities as available-for-sale in accordance with the provisions of Statement of Financial Accounting Standards (“SFAS No. 115”), “Accounting for Certain Investments in Debt and Equity Securities.” These securities are carried at fair market value, with unrealized holding gains and losses reported in stockholders’ equity as a component of other comprehensive income. Gains or losses on securities sold are based on the specific identification method.

During the first quarter 2010, the Company invested in a promissory note with Ameritrans Capital Corporation. The principal amount of the note is \$75,000 and has a maturity date of December 14, 2011. The note is for two years with interest payable quarterly at 8.75% per annum on the outstanding principal balance. Ameritrans Capital Corporation may elect, by notice to the Company at least 30 days before the maturity date, to extend the maturity date to the third anniversary of the issue date. If elected, interest shall be payable quarterly at the sum of 5.50% plus the rate announced by Citibank N.A. as its prime rate.

4. Contracts

During June 2010, the Compensation Committee and the independent members of the Board, unanimously voted to renew the employment contract of Randall K. Davis, CEO and President of the Company, effective June 15, 2010. The new contract is for 5 years with substantially the same terms as his previous contract. The only significant change in the new 5-year agreement is that Mr. Davis’ new salary calls for a reduction of 8% from his original December 2000 contract.

During June 2010, the Compensation Committee, and the independent members of the Board, unanimously voted to renew a consulting agreement with Mr. Steven Etra, effective June 15, 2010. The new contract is for 5 years with substantially the same terms as his previous contract. The only significant change in the new 5-year contract is that Mr. Etras’ new compensation calls for an increase of approximately 21%.

5. Recent Accounting Pronouncements

In July 2001, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 141, “Business Combinations” (SFAS No. 141) and Statement of Financial Accounting Standards No. 142, “Goodwill and Other Intangible Assets” (SFAS No. 142.)

**TITANIUM HOLDINGS GROUP, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2010**

SFAS No. 141 addresses financial accounting and reporting for business combinations. This statement requires the purchase method of accounting to be used for all business combinations, and prohibits the pooling-of-interests method of accounting. This statement is effective for all business combinations initiated after June 30, 2001 and supercedes APB Opinion No. 16, "Business Combinations" as well as FASB Statement of Financial Accounting Standards No. 38, "Accounting for Preacquisition Contingencies of Purchased Enterprises".

SFAS No. 142 addresses how intangible assets that are acquired individually or with a group of other assets should be accounted for in financial statements upon their acquisition. This statement requires goodwill to be periodically reviewed for impairment rather than amortized, beginning on January 1, 2002. SFAS No. 142 supercedes APB Opinion No. 17, "Intangible Assets".

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on the accompanying financial statements.

6. Stockholders' Equity

Effective June 8, 2006, and with unanimous approval of disinterested Board members, stock options were granted to two Directors in consideration for their service on the Board for 2005 and 2006. Each of the two Directors were granted the option to purchase all or any part of an aggregate of twenty thousand (20,000) shares of common stock of the Company, pursuant to the Company's 2000 Stock Incentive Plan. The exercise price of the Option shall be twenty-nine cents (\$0.29) per share and will be exercisable during the period from June 8, 2006 through June 8, 2011.
